- Tow trailers or equipment for short-term needs.
- Carry supplies and cargo in demanding environments.

PRODUCT HIGHLIGHTS

- Rugged design for heavy rental use
- Easy to maintain, quick turnaround
- Flexible models to fit diverse rental needs

LIFESTYLE FLEET: WHERE LUXURY MEETS UTILITY

Tomberlin's luxury low-speed electric vehicles offer resort guests, gated communities and campus visitors a refined experience with street-legal confidence and eco-friendly electric power.

GET MORE LIFE— AND MORE REVENUE— OUT OF EVERY RENTAL WITH COLUMBIA

In addition to equipment fleet and worksite solutions, we provide rental solutions for resorts and time shares, amusement parks or attractions, hotels or convention and visitors bureaus, RV campgrounds, sporting events, marinas, equestrian events, hunting clubs and food, wine and music festivals.

Tomberlin Evoke electric bikes provides recreational offerings for hotel and resort guests seeking new adventures.

BUILT FOR WORK. BACKED FOR LIFE.

PROVEN RELIABILITY PROFITABLE PERFORMANCE

From national fleets to independent operators, Columbia delivers reliable performance and proven ROI.

BUILT TO OUTWORK, OUTLAST AND OUTPERFORM

- From our 16-acre, 160,000-square-foot facility in Aiken, S.C., Columbia designs and builds electric vehicles that serve government, higher education, industrial, rentals and resorts and hospitality.
- As part of the Nordic Group of Companies, a family-owned American business founded in 1947, Columbia combines decades of manufacturing expertise with a relentless focus on performance, sustainability and partnership.
- Every vehicle features an all-steel chassis and corrosion-resistant construction for unmatched durability.
- 100% electric powertrains cut emissions and lower operating costs.
- Configurable beds, seating and enclosures deliver best-in-class versatility.
- Smart, efficient performance powers every move, tow and carry application.
- Columbia backs every model with over 75 years of electric vehicle expertise and nationwide dealer support.
